A Special Message to Our Valued Customers

After several months of trying to make this work, we are happy to announce that we are finally able to bring back the Entree items! Due to a number of reasons (supply chain issue, raising food cost & continuous shortage of staff), we brought back as many items as we could at the moment. Like many local restaurant businesses, these past 20 months have been the toughest time for Cafe Asia, and the most challenging for our family because this business is our livelihood. But the great news is we are still standing! Cafe Asia is still here to serve you and our community! We want to take the opportunity to thank each and every one of our neighbors and friends for supporting our business through thick and thin. We could not have made it this far without your help and support! Holiday season is here, please come celebrate with us (with safety measures in place for dine-in) or do takeout! Gift Certificates are available! Catering menu coming soon! Please help us spread the words so more guests can come try our food. Only with your continuous support, we will thrive and serve our community for years to come!

Wishing you and your family a Happy, Safe and Joyful Holiday season!

Sincerely,

Kylee, Chen and Nathan (who is now 3 and half years old! Time flies!)
